

Taekwondo Room

(Room #102/104 on map)

Room #102 (1375 sq. ft.) is located on the south side of the facility. It was remodeled in January 2010 by putting in a new drop ceiling, removing the divider and wall, new carpet, removed the chalkboards and bulletin boards, and fresh paint. It is currently being used to hold our Taekwondo Classes, but can be rented for birthday parties or larger meetings.
